

Clergy who are in non-parochial ministries, or secular (full or part-time) employment

All active clergy (deacons and priests) who are canonically resident in the Diocese of California and who serve in sacramental and other approved ministries that are not included in a parochial report must submit a yearly **Report of Non-Parochial Ministry** (this was formerly called “Non-Parochial Report”).

Active and retired clergy (including non-stipendiary deacons and priests) who serve on the “staff” of a congregation in the Diocese of California do not need to submit a Report of Non-Parochial Ministry. For the purpose of this report, “staff” clergy are those appointed by the rector/vicar with the affirmation of the vestry/bishop’s committee and the bishop’s approval.

All clergy who are canonically resident and living in our diocese are expected to be affiliated with a congregation of the Diocese of California or in a ministry officially approved by the Bishop. If you are not, please contact the Office of the Bishop or Canon to the Ordinary at your earliest convenience.

All active clergy must report annually about their continuing education, anti-racism, safe church and other required training on the **Continuing Education and Training Report** for the previous year.
