

Fresher Start Participation Expectations

The expectation of your attendance: In the month closest to either your ordination, your arrival in the diocese, or start of your new cure, beginning with the next scheduled gathering, we expect you to attend 18 sessions of Fresher Start over the following 24 months. This includes the understanding that you may need to miss up to 3 sessions for personal reasons. However, we hope you also understand that Fresher Start should be the first item on your calendar.

If you are not able to attend Fresher Start due to secular work commitments please contact the Rev. Canon Stefani Schatz as soon as possible.

The diocesan budget does not cover your expenses for Fresher Start; your congregation “should” cover them.
