SECTION 4 - AUTHORIZATION

I hereby elect to participate in the Flexible Spending Account for the Plan Year 01 / 01 / 2019. Any previous election and compensation reduction agreement relating to the same benefits is hereby revoked. I cannot change or revoke this election at any date prior to the next plan year unless I experience a change in status (also referred to as a qualifying event). If, during my next enrollment period, I do not complete and return a new election form during my enrollment period, I will be treated as having elected to continue my employee election as set forth in this election form for the next plan year. As a participant, I understand that all guidelines regarding enrollment are set forth in the Summary Plan Description.

Reduction of Pay

- I understand that my pay will be reduced each pay period by the amount of my required contribution for the benefit option(s) I have elected until this agreement is amended or terminated. The reduction in my pay under this agreement will be in addition to any reductions under other agreements or benefit plans.
I understand that my pay reduction will be automatically adjusted if my required contributions change while this agreement is in effect and that the plan administrator may change the amount of my pay reduction or otherwise modify this agreement if it is required to satisfy provisions of the Internal Revenue Code.

- I agree to notify my Employer if I believe that any expense for which I have received reimbursement is not a qualifying expense. I also agree to indemnify and reimburse the Employer for any liability Employer may incur for failure to withhold income or FICA tax from any reimbursement I receive of a non-qualifying expense.
I understand that I will have a closeout period after the end of the plan year during which I can submit eligible expenses incurred during the plan year (and grace period if applicable). I understand that I will forfeit any remaining balances, including those in excess of any allowable carryover amount; I have at the end of the closeout period for which I have no eligible expenses to submit.

Reimbursements

- I understand that my Employer will hold my contributions for payment of eligible expenses incurred within the Plan Year and that reimbursement will be available only for qualifying expenses.

FSA with an HSA

- If I have a Flexible Spending Account in conjunction with a Health Savings Account (HSA), I may only submit medical expenses under the Unreimbursed Medical portion of my Flexible Spending Account for dental, vision, and preventative care. My HSA may be used to pay for any remaining HSA-qualified medical expenses.
