

## Save The Date

# Planning For Wellness

## Diocese of California

Learn how to secure your financial future and take steps toward a healthier lifestyle at this informative conference for active clergy and lay employees, hosted by the Church Pension Group (CPG). Spouses and partners are invited.

### Topics include:

- Better managing your finances and planning for your future
- Improving your well-being through nutrition, exercise and stress management
- Understanding and getting the most out of your CPG plan benefits

CPG will subsidize the majority of cost of your attendance and help reimburse child or elder care costs (up to a certain limit). Even if you've previously been to a *Planning For Tomorrow or Steps to Wellness Conference*, we encourage you to attend. You may now be at a different stage of life and will benefit from this information.
